

## **For windows or Mac**

- 1. Open Google Chrome**
- 2. Click the three dots icon on the top right corner**
- 3. Click UPDATE GOOGLE CHROME. If this button is not visible that means you are on the latest version of the browser.**
- 4. Click RELAUNCH to update Google Chrome.**
- 5. An alternate way to do this is to click the three dots icon and click ABOUT GOOGLE CHROME.**
- 6. Now Good Chrome will begin to update itself automatically. Once the update has been downloaded, click RELAUNCH.**

## **How to update Google Chrome on Android Mobile Devices**

- 1. Open Google Play on your Android device**
- 2. Tap the hamburger icon on the top left**
- 3. Tap My Apps & Games**
- 4. Tap Updates and see if Google Chrome is listed here. If it is, tap UPDATE**

## **How to update Google Chrome on iPhone, iPad**

- 1. You can update Google Chrome on iOS via the App Store. Follow these steps.**
- 2. Open App Store**
- 3. Tap Updates**
- 4. Look for Google Chrome here. If you see an Update button next to it, tap that. If it's already updates, you will see an Open button next to it.**
- 5. This will update Google Chrome on iPhone or iPad**

Remember, you can reach our LMA Auctions support team anytime by calling 800-821-2048 and selecting option 6. Email us at [lmauctions@lmaweb.com](mailto:lmauctions@lmaweb.com) or text 816-745-0042. If you have other contacts saved for LMAAuctions, please update to these numbers. The other contact numbers may result in your call being missed.
